

# Monthly Payment Plan

## Introducing our new payment plan

With so much cost involved in running your business, SJMB Business Services Inc. have decided to help lighten the burden. The yearly cost of having a corporate tax return filed is a necessary one but one that can leave you short. Why not pay in small monthly payments?

## How it works

Whether it is a set price based on your budget or the cost of your corporate return divided into 12 months, we can make our payment plan work for you. Call us and find out how much your payment plan would be.

Just three benefits of having a monthly payment plan:

1

### ON TIME

Being able to file immediately can help avoid penalties and interest from CRA

2

### WORRY FREE

We can direct withdrawal your monthly payment allowing you to focus on your business

3

### DISCOUNT

Take advantage of a 5% discount by signing up to our payment plan
